CAMP RULES:

1. Wear your life jackets!
2. Travel in pairs whenever possible or leave an itinerary with other members of your party. Let someone know where you are going and when you'll return.
3. Boats are due back in camp at 6:30 pm. If you fish after that time please fish within sight of the camp or specifically tell someone where you are going and when you will return. No boats out after dark as there are no running lights on the boats. No exceptions!
4. GO SLOW - and WATCH FOR ROCKS YOU are responsible for your motor and any damage which occurs while it's in your possession. We mark as many rocks as we can but there are always more!
5. Always check your gas tank BEFORE you leave the dock.
6. Remember to crimp your barbs and carry your fishing licenses with you at all times.
7. No open campfires.
